I am not severely allergic to eggs and understand that the following minor reactions may occur after Inactivated, Quadrivalent Flu Immunization:

- Mild to moderate soreness at the vaccination site lasting 1 -2 days.
- Mild symptoms (not the flu) with aches and low fever lasting 1 - 2 days.

I have not had a reaction to a flu vaccine. I do not have a history of Guillain-Barre Syndrome.

I have read the Vaccine Information Statement; I understand the benefits and risks of receiving the flu vaccine. I will not hold Flu Busters, LLC, building owners or administrators, agency, company, employer, or school liable for any harm, adverse side effects, or other consequences caused by receiving the flu vaccine.

Signature _____ (if under age 18, parent signature required)
